Somewhere in my broken heart.

You made up your mind it was time it was over After we had come so far.

I think there's enough pieces of forgiveness

I would not have chose the road you have taken, It has left us miles apart.
I think I can still find the will to keep going Somewhere in my broken heart.

So fly. Go ahead and fly,
Till you find out who you are.
And I, I will keep my love unspoken
Somewhere in my broken heart.

I hope that in time you will find what you long for. Love that's written in the stars. When you finally do, I think you will see It's somewhere in my broken heart.

Girl, I, I will keep my love unspoken Somewhere in my broken heart.

I hope that in time you will find what you long for. Love that's written in the stars.
When you finally do, I think you will see
It's somewhere in my broken
Somewhere in my broken
Somewhere in my broken heart.
