Steam Roller

Billy Dean

I'm a steamroller baby
I'd like to roll all over you
Hey I'm a steamroller for your love
Like nothing better than to just roll all over you
I'm gonna inject your soul with some sweet old time rock and ro
ll
Shoot you full of rhythm and blues

I'm a cement mixer
A churnin' urn of burnin' funk
I'm a cement mixer ooh boy
A churnin' urn of burnin' funk
Hey I'm a demolition derby
A hefty hunk of steamin' junk hey

I'm a na-palm bomb lord
Guaranteed to blow your mind
I'm a na-palm bomb gonna blow your mind
If I can't have your love love
There won't be won't be nothin' left behind
Left behind girl

I'm a steamroller baby
I'm bound to roll all over you lord
Have mercy girl
I'm a steamroller for your love
Like nothin' better than just to just roll over you
If I can't have your love love
I'm gonna have nothin'
I'm gonna have nothin'
But them steam
Steamroller blues
Yeah yeah
