

## Early Autumn

Billy Eckstine

When an early autumn walks the land and chills the breeze  
And touches with her hand the summer trees  
Perhaps you'll understand what memories I own  
There's a dance pavilion, all shuttered down  
A winding country lane, all russet brown  
A frosty windowpane shows me a town grown lonely  
That spring of ours that started, so April-hearted  
Seemed made for just a boy and girl  
I never dreamed, did you, any fall could come in view  
So early, early  
Darling, if you care, please let me know  
I'll meet you anywhere, I miss you so  
Let's never have to share another early autumn
