

# I Love You

**Billy Eckstine**

I love you  
Hums the April breeze  
I love you  
Echo the hills

I love you  
The golden dawn agrees  
As once more she sees  
Daffodils

It's spring again  
And birds on the wing again  
Start to sing again  
The old melody

I love you  
That's the song of songs  
And it all belongs  
To you and me

It's spring again  
And birds on the wing again  
Start to sing again  
The old melody

I love you  
That's the song of songs  
And it all belongs  
To you and me

I love you  
I love you  
I love you  
I love you
