

Trust in Me

Billy Eckstine

Come to me without more speculation
Have no fear, give me your hand, my dear

Trust in me in all you do
Have the faith I have in you
Love will see us through
If only you trust in me

Come to me when things go wrong
Cling to me and I'll be strong
We can get along
As long as you trust in me

While there's a moon on high
While there's a bird to fly
While there's a you and I
You can be sure I love you

Stand beside me all the while
Face the future with a smile
Trust in me and
I'll be worthy of you
