Run to My Lovin' Arms

Billy Fury

When your pretty eyes are filled with tears
And the sounds of this cruel world Are ringing in your ears
Darling, when the night surrounds you
And there's darkness all around you
Baby, baby, don't you worry
I'll be there, and you can Run to my loving arms
They'll keep you warm and hold you tight
If you just run to my loving arms
They'll take you in and make things right When you're feeling l
ike you wanna cry
And there's no one who's got time
To sit and wonder why
When you need someone to hear you
To say a word or just be near you
Baby baby, I will always be close by
And you can Run to my loving arms
They'll keep you warm and hold you tight
If you just run to my loving arms
They'll take you in and make things right Run to my loving arms
(3x)
