

Soldier

Billy Gilman

Lovers in battle
We built this tower, this Tower of Babel
The Saviors may rattle
But I'm only fighting for you

You're my obsession
My love and my rival
This song is a lesson
These songs are survival
And I'm never letting you go

I'ma keep fighting, fighting
I'ma keep fighting, fighting
'Cause baby I'm a soldier
Gonna stand my ground

I'ma keep fighting, fighting
I'ma keep fighting, fighting
'Cause baby I'm a soldier
Baby I'm a soldier

Some words aren't for saying
A heart that you love ain't a heart worth betraying
So baby stop playing
'Cause I won't be a wave in the white

If you're not gonna walk it
Then baby don't talk it
Your words are like bullets
But I'm wearing armor
And I'm never letting you go

I'ma keep fighting, fighting
I'ma keep fighting, fighting
'Cause baby I'm a soldier
Gonna stand my ground

I'ma keep fighting, fighting
I'ma keep fighting, fighting
'Cause baby I'm a soldier
Baby I'm a soldier

When it all peals away
And there's nothing to say
I'll be standing right here
In the mess that we made
'Cause I'm never gon'
No I'm neveer gonna let you go

Some battles are won
And some battles are lost
But you live with the pain
'Cause there's always a cost
But I'm never gone
No I'm never gonna let you go

'Cause baby I'm a soldier, soldier

Baby I'm a soldier, soldier
Baby I'm a soldier, soldier
Baby I'm a soldier...

I'ma keep fighting, fighting
I'ma keep fighting, fighting
'Cause baby I'm a soldier
Gonna stand my ground
(Gonna stand my ground)

I'ma keep fighting, fighting
I'ma keep fighting, fighting
'Cause baby I'm a soldier
Baby I'm a soldier

I'ma keep fighting, fighting
I'ma keep fighting, fighting
'Cause baby I'm a soldier
Gonna stand my ground
(Gonna stand my ground)

I'ma keep fighting, fighting
I'ma keep fighting, fighting
'Cause baby I'm a soldier
Baby I'm a soldier
