

There's A Hero

Billy Gilman

There's a flower in the smallest garden
Reaching for the light
There's a candle in the darkest corner
Conquering the night
There is amazing strength in a willing hand
There are victories
That you've never planned
There's a hero
In everybody's heart
There's a fire inside of everybody
Burning clear & bright
There's a power in the faintest heartbeat
That cannot be denied
Go on and trust yourself
You can ride the wind
You're gonna take your dreams
Where's they've never been
There's a hero in everybody's heart
Go on and trust yourself
You can ride the wind
You're gonna take your dreams
Where they've never been
There's a hero in everybody's heart
There's a hero in everybody's heart
