

## There's A Hero

Billy Gilman

There's a flower in the smallest garden  
Reaching for the light  
There's a candle in the darkest corner  
Conquering the night  
There is amazing strength in a willing hand  
There are victories  
That you've never planned  
There's a hero  
In everybody's heart  
There's a fire inside of everybody  
Burning clear & bright  
There's a power in the faintest heartbeat  
That cannot be denied  
Go on and trust yourself  
You can ride the wind  
You're gonna take your dreams  
Where's they've never been  
There's a hero in everybody's heart  
Go on and trust yourself  
You can ride the wind  
You're gonna take your dreams  
Where they've never been  
There's a hero in everybody's heart  
There's a hero in everybody's heart
