There's A Hero

Billy Gilman

There's a flower in the smallest garden Reaching for the light There's a candle in the darkest corner Conquering the night There is amazing strength in a willing hand There are victories That you've never planned There's a hero In everybody's heart There's a fire inside of everybody Burning clear & bright There's a power in the faintest heartbeat That cannot be denied Go on and trust yourself You can ride the wind You're gonna take your dreams Where's they've never been There's a hero in everybody's heart Go on and trust yourself You can ride the wind You're gonna take your dreams Where they've never been There's a hero in everybody's heart There's a hero in everybody's heart
