

# Kleenex

Billy Idol

All around me  
All around me  
Better watch that man  
See him gun in hand  
No one seems to see  
No one seems to see  
Better watch that man  
See him gun in hand  
What you gonna do next  
What you gonna do now  
Use a kleenex  
Wipe out sex - kleenex  
Better than love - kleenex  
John paul george - kleenex  
Governments use kleenex  
Use a kleenex solve world problems  
Better blow your nose right now  
Maybe is it you?

Better watch that man see him gun in hand  
What you gonna do next  
What you gonna do now  
Use a kleenex  
Wipe out sex - kleenex  
Better than love - kleenex  
Trade unions use kleenex  
Governments use kleenex  
Oh yeah!
