

# Rebel Like You

Billy Idol

Saw you out there in the front front row  
Screamin' back at me  
Lookin' like somebody that I know  
Guess we got history  
Ain't nobody gonna love you more  
Except your mommy and your daddy, maybe  
Looking like you're on the go, go, go  
Guess I've got company

Yeah, it's alright  
Yeah, it's alright  
Yeah, it's alright  
Now you're here

Well, I never thought I'd ever get to meet another rebel like you  
Yeah, I've been livin' like a devil so long  
I thought that it couldn't be true  
Call my name, I'll pick up the receiver  
Baby, baby, make me a believer  
I never thought I'd ever get to meet another rebel like you  
Like me, like you, like me, like you

Rebel like you

You're in your leather boots and black waistcoat  
Lookin' just like me  
Pretty blue eyes never seen the road  
Ride along with me

Yeah, it's alright  
Yeah, it's alright  
Yeah, it's alright  
Now you're here

Well, I never thought I'd ever get to meet another rebel like you  
Yeah, I've been livin' like a devil so long  
I thought that it couldn't be true  
Call my name, I'll pick up the receiver  
Baby, baby, make me a believer  
I never thought I'd ever get to meet another rebel like you  
Like me, like you, like me, like you

Rebel like you  
Rebel like you  
Rebel like you, like me, like you, like me, like you  
Rebel

Well, I never thought I'd ever get to meet another rebel like you  
(Like you, like you, like you)  
Yeah, I've been livin' like a devil so long  
I thought that it couldn't be true  
(Be true, be true, be true)  
Call my name, I'll pick up the receiver  
Baby, baby, make me a believer  
I never thought I'd ever get to meet another rebel like you  
Like me, like you, like me, like you

Rebel like you  
Rebel like you  
Rebel like you, like me, like you, like me, like you
