

# Running From The Ghost

Billy Idol

I'm runnin' from the ghost  
The ghost inside of me  
Heavy on my mind  
Still fight him in my sleep  
I see him all the time  
The Jekyll to my Hyde  
Down each and every road  
No matter where I go  
I'll be runnin' from the ghost  
I'll be runnin' from the ghost  
I'll be runnin' from the ghost

Ghost  
Ghost  
Ghost  
Ghost

Wake me up, set me free  
Can't take back all the things I've seen  
Darkest days, no beliefs  
Feel the hope fall away from me and  
Don't you pray for me  
It's too late for me  
What can save me?  
It's night and day for me  
Can't go back there to  
Cold hard memories  
Just one way for me  
I'll be runnin' from the ghost

The ghost inside of me  
Heavy on my mind  
Still fight him in my sleep  
I see him all the time  
The Jekyll to my Hyde  
Down each and every road  
No matter where I go  
I'll be runnin' from the ghost  
Keep runnin' from the ghost  
I'll be runnin' from the ghost  
Keep runnin' from the ghost, oh, yeah  
Ghost

Wake me up, set me free  
Can't take back all the things I've seen  
Darkest days, no beliefs  
Feel the hope fall away from me  
Don't you pray for me  
It's too late for me  
What can save me?  
It's night and day for me  
Can't go back there to  
Cold hard memories  
Just one way for me

I'll keep running from the ghost  
From the ghost

I'll keep running from the ghost  
From the ghost  
I'll keep running from the ghost
