

# Shock to the System

**Billy Idol**

Woah yeah  
It was a night, L.A., burning bright  
Oh what a night  
Say yeah, come on  
It makes my world stand still  
Ahh riot, rape, race and revolution, ah yeah  
Here come the fire, and my world burns still  
Yoww say yeah

Well, you can rock this land baby yowww

Like a shock to the system  
I feel good, well alright  
Like a shock to the system  
Say yeah, ain't it irie

It was a night  
Hell of a night, L.A., it really was  
Oh what a riot  
I said yeah, come on  
It makes my life feel real  
Fear police and civil corruption oh yeah  
Is there a man who would be king  
And the world stood still  
Ah yeah loud

You can rock this land baby  
Yeahhh

Like a shock to the system  
It feel good, well alright  
Like a shock to the system  
I said yeah, come on baby  
Shock to the system  
Feel good, well alright  
Like a shock, shock to the system  
I say yeah, I say yeah, I say yeah  
Come on baby

Yeah, well you can rock this land baby  
Like a shock, shock to the system  
It feel good, well alright  
Like a shock to the system  
I say yeah  
Ain't it irie

Shock to the system  
It feel good, well alright  
Like a shock to the system

Or I could be king  
Yeah well  
You could be king  
Or I could be king  
Well I gotta  
You could be king  
Say it louder  
The world still burns  
You could be king  
I could be king  
Yeah well  
You could be king  
Say it louder  
I could be king  
You could be king  
Say it louder  
The world still burns
