

# Too Much Fun

Billy Idol

I bleached my hair, dropped out of school  
I made a living breaking rules  
Of passing out in swimming pools  
Waking up in hospital  
Did GHB with GBH  
I kissed a girl, then smoked some H  
I saw God, but I don't pray  
'Cause I never know what to say

Too much, too soon  
Almost lead to my doom  
I looked into my tomb  
And walked away

They said, "Pick your poison"  
So I drank every one  
I've had that fatal charm ever since I was young  
I'm not leaving until I say I'm done  
'Cause I don't want to have a little  
I wanna have too much fun

Yeah, yeah, yeah, yeah  
I wanna have too much fun  
Yeah, yeah, yeah, yeah  
I wanna have too much fun

Half a line turned into five  
I flirt with death to feel alive  
Fell off stage, but didn't dive  
Crashed my bike, but I didn't die

Too much too soon  
Almost lead to my doom  
I looked into my tomb  
And walked away

They said, "Pick your poison"  
So I drank every one  
I've had that fatal charm  
Ever since I was young  
I'm not leaving until I say I'm done  
'Cause I don't want to have a little  
I wanna have too much fun

Yeah, yeah, yeah, yeah  
I wanna have too much fun  
Yeah, yeah, yeah, yeah  
I wanna have too much fun

They said, "Pick your poison"  
So I drank every one  
I've had that fatal charm  
Ever since I was young  
I'm not leaving until I say I'm done  
'Cause I don't want to have a little  
I wanna have too much fun

Yeah, yeah, yeah, yeah  
I wanna have too much fun  
Yeah, yeah, yeah, yeah  
I wanna have too much fun

Yeah, yeah, yeah, yeah  
I wanna have too much fun  
Yeah, yeah, yeah, yeah  
I wanna have too much fun
