

Heartaches and Teardrops

Billy Joe Royal

Sunbeams and snowflakes
Moonlight and happy times
Turn into heartaches
When she's not by my side

Sweet summer kisses
Long walks and rainy nights
Turn into teardrops
When love just don't go right

They tell me
Go on, boy
Be strong, boy
But what can I do
With these heartaches and teardrops and teardrops and heartache
s
And memories of you?

Sweet summer kisses
Long walks and rainy nights
Turn into teardrops
When love just don't go right

They tell me
Go on, boy
Be strong, boy
But what can I do
With these heartaches and teardrops and teardrops and heartache
s
And memories of you?

(Heartaches and teardrops)
And teardrops and heartaches
And memories of you
(Heartaches and)
