

Let Your Love Flow

Billy Joe Royal

There's a reason for the sunshine day
There's a reason why I'm feelin' so high
Must be the season
When that love light shines all around us

So let that feeling grab you deep inside
And send you reeling where your love can't hide
And then go stealing through the summer nights
With your lover

Just let your love flow like a mountain stream
And let your love grow with the smallest of dreams
And let your love show
And you'll know what I mean, it's the season

Let your love fly like a bird on the wing
And let your love bind you to all living things
And let your love shine and you'll know what I mean,
That's the reason

There's a reason for the warm sweet nights
There's a reason for the candle lights
Must be the season when those love rites shine
All around us

So let the wonder take you into space
And lay you under its loving embrace
Feel the thunder as it warms your face
You can't hold back

Just let your love flow like a mountain stream
And let your love grow with the smallest of dreams
And let your love show and you'll know what I mean
It's the season

Let your love fly like a bird on the wing
And let your love bind you to all living things
And let your love shine and you'll know what I mean
That's the reason
