Billy Joe Royal

Members only, it's a private party
Don't need no money to qualify
Don't bring your checkbook
Bring your broken heart
'Cause it's members only tonight

Say you lost your woman, say you lost your man
Oh, you've got a lot of problems oh, in your life
Oh, havin' a little party for the brokenhearted
And it's members only tonight

Now listen to me
Say, go tell Mama, mmm, go tell Daddy
Red or yellow black or white
There throwin' a party for the sad and lonely
And it's members only tonight

Members only, it's a private party
Don't need no money to qualify
Don't bring your checkbook
Bring your broken heart
'Cause it's members only tonight

Say you lost your woman, say you lost your man
Oh, you've got a lot of problems oh, in your life
They're havin' a party for the brokenhearted
And it's members only tonight

Go tell Mama, go tell Daddy
Red or yellow black or white
There throwin' a party for the sad and lonely
And it's members only tonight
Mmmm, members only tonight
Yeah, members only tonight
Come on now
Members only tonight
They're havin' a party
Members only tonight
