

Nobody Loves You But Me

Billy Joe Royal

La, la, la, la, la, la, la

Somebody might give you a moment's pleasure, mmm, hmm
And offer gifts for you to treasure, oh, yeah
But always remember, girl
Wherever you may be
Nobody loves you but me

Somebody might paint you a pretty picture, mmm, hmm
With lovely promises he'll whisper
But through the glitter of it all
I think you're gonna see
Nobody loves you but me

Nobody loves you but me, baby
Nobody cares the way I do
Though we're apart
I know in my heart
Nobody loves me but you

Somedays were happy
Some were sad, girl
We shared the good times
And the bad, girl

But if you stopped and count them all
I'm sure you will agree
Nobody loves you
Nobody loves you, baby
Nobody loves you but me

No, no, no, no, nobody but me
Nobody but me
Whoa, girl I'm the one that loves you
Nobody but me
Nobody but me
Whoa, la, la, la, la, la
