

Pollyanna

Billy Joe Royal

Ah (Pollyanna, Pollyanna)
Little Pollyanna (Pollyanna)
Ah (Pollyanna, Pollyanna)
Little Pollyanna (Pollyanna)

Your name should be Pollyanna
You brighten every day
You always bring the sunshine
Whenever you pass my way

But way down deep inside
You want to run and hide
From life (Pollyanna, Pollyanna)
Little Pollyanna (Pollyanna, Pollyanna)
Go ahead and cry (Pollyanna, Pollyanna)
I'll be standing by (Pollyanna)
When you need a new love
You need a true love

Although you smile Pollyanna
I know you're feeling blue
You laugh to hide a heartache
And it's so hard to do
But you're not fooling me
With your philosophy
Oh, no (Pollyanna, Pollyanna)
Little Pollyanna (Pollyanna, Pollyanna)
Go ahead and cry, girl (Pollyanna, Pollyanna)
I'll be standing by (Pollyanna)
When you need a new love
You need a true love (Pollyanna, Pollyanna)
Little Pollyanna (Pollyanna)
Ah (Pollyanna, Pollyanna)
Little Pollyanna (Pollyanna)
Ah (Pollyanna, Pollyanna)
A little Pollyanna
