

## Stand by Me

Billy Joe Royal

When the night has come and the land is dark  
and the moon is the only light we'll see  
no I won't be afraid oh I won't be afraid  
just as long as you stand stand by me

So darling darling stand by me oh stand by me  
oh stand

If the sky that we look upon should tumble and fall  
or the mountain should crumble to the sea  
I won't cry I won't cry no I won't shed a tear  
just as long as you stand stand by me

And darling darling stand by me oh stand by me  
oh stand now

So Darling darling stand by me oh stand by me  
oh stand now

Whenever you're in trouble would you  
oh stand by me  
oh would stand now
