

## Blue Texas Waltz

**Billy Joe Shaver**

Blue Texas waltz my friend  
We are sweethearts again  
Here's where it all began  
Dancing the blue Texas waltz

You are the one I have waited to hold  
You are more precious than diamonds or gold  
Now is the time all my dreams will come true

Dancing the blue Texas waltz with you

Way over there in that star studded sky  
Acres of memories go twinkling by  
Love that was here has come back alive  
With you and the blue Texas waltz tonight
