

Bottom Dollar

Billy Joe Shaver

Bottom dollar, It looks like the end, oh how I hate to see you
go

Bottom dollar we've been the best of friends

I guess I counted on you a hundred times or more

Oh my how those eagles fly , goodbye bottom dollar goodbye

Oh bottom dollar , well all your friends are gone

They've been blown on the dancehall girls and wine

Bottom dollar Well now if the truth was known

You've been the best friend I've ever known

Oh my how those eagles fly , goodbye bottom dollar goodbye
