

## Get Thee Behind Me Satan

Billy Joe Shaver

Get thee behind me, Satan  
For I command it in the name of the Lord Jesus Christ, of Nazar  
eth  
Get thee behind me, Satan  
For I command it in the name of the Lord Jesus Christ

I looked into the mirror and I couldn't see myself  
The demons that were in me had turned me wrong side out  
I knew inside my soul I was headed straight for hell  
But I couldn't for my life figure how to help myself

Get thee behind me, Satan  
For I command it in the name of the Lord Jesus Christ, of Nazar  
eth  
Get thee behind me, Satan  
For I command it in the name of the Lord Jesus Christ

The moon and stars were hidden by the shroud that clouded 'roun  
d  
I could see my loved ones weeping as they lowered me in the gro  
und  
No word was spoken over me I almost thought I died  
Then I knew I wasn't dead I had been buried alive

Get thee behind me, Satan  
For I command it in the name of the Lord Jesus Christ, of Nazar  
eth  
Get thee behind me, Satan  
For I command it in the name of the Lord Jesus Christ

I couldn't see my hand in front of my face  
I knew that I was buried in the deepest darkest place  
The deeds that I had done put me in this awful place  
Then I felt the stir inside me and the smoke came 'cross my fac

Get thee behind me, Satan  
For I command it in the name of the Lord Jesus Christ, of Nazar

Get thee behind me, Satan  
For I command it in the name of the Lord Jesus Christ
