

I Couldn't Be Me Without you

Billy Joe Shaver

I'm putting some new strings on my old guitar
I know just what I'm gonna do
I'm gonna sit down and write me a song
And I'm gonna sing it to you

I realise now after all those hard times
And Lord knows we've had us a few
Together forever wherever we are
I couldn't be me without you

I couldn't be me without you
I couldn't be me without you
Together forever wherever we are
I couldn't be me without you

I couldn't be me without you
I couldn't be me without you
Together forever wherever we are
I couldn't be me without you
