

# I'll Love You as Much as I Can

Billy Joe Shaver

(Verse)

I'll love you as much as I can  
That's about all I can do  
I've always loved a little too much  
There's not much of me for you

(Chorus)

You want everything love can bring  
If you'll leave me now I'll understand  
I just want the best for you darlin'  
I'll love you as much as I can

(Verse 2)

I know you believe you can change me  
And make me much more than I am  
But you never know the hurt I've been through  
And what reason can do to a man

(Verse 3)

Maybe I'll show you some good times  
But before you'll start making your plan  
Remember the chance that you're taking

I'll love you as much as I can

(Verse 4)

If some day you will feel forsaken  
Like you haven't been given enough  
Remember the warning I gave you  
And know it was given with love

(Verse)

I'll love you as much as I can  
That's about all I can do  
I've always loved a little too much  
There's not much of me for you

(Chorus)

You want everything love can bring  
If you'll leave me now I'll understand  
I just want the best for you darlin'  
I'll love you as much as I can  
I just want the best for you darlin'  
I'll love you as much as I can
