

# Live Forever

Billy Joe Shaver

I'm gonna live forever  
I'm gonna cross that river  
I'm gonna catch tomorrow now

You're gonna wanna hold me  
Just like I always told you  
You're gonna miss me when I'm gone

Nobody here will ever find me  
But I always be around  
Just like the songs I leave behind me  
I'm gonna live forever now

You fathers and you mothers  
Be good to one another  
Please try to raise your children right

Don't let the darkness take 'em  
Don't make 'em feel forsaken  
Just lead them safely to the light

When this old world has blown us under  
And all the stars from fall this sky  
Remember someone really loves you  
We'll live forever you and I

I'm gonna live forever  
I'm gonna cross that river  
I'm gonna catch tomorrow now

I'm gonna live forever  
I'm gonna cross that river  
I'm gonna catch tomorrow now

I'm gonna live forever  
I'm gonna cross that river  
I'm gonna catch tomorrow now

I'm gonna live forever  
I'm gonna cross that river  
I'm gonna catch tomorrow now

I'm gonna live forever now  
I'm gonna live forever now  
I'm gonna live forever now  
I'm gonna live forever now  
Dream of angels and sunshine
