

# Long In The Tooth

Billy Joe Shaver

Long in the tooth, long in the tooth  
Tryna tell ya I'm long in the tooth  
Well, you still do all night what  
It takes all night to do

But the whipping folk don't complain  
Cause they still have the younger man's brain  
I still do more than most men do  
I'm telling you winners I'm long in the tooth

Long in the tooth  
Long in the tooth  
I'm telling you folks I'm long in the tooth  
I used to go barehunh with a switch  
Sleep all week while staying a-witch  
I put that grip lil ova my knee  
And I'm not the man I used to be

Long in the tooth, long in the tooth  
I'm telling you telling I'm long in the tooth  
I had an alligator kiss my ass  
It's mostly luck he's runnin' that fast

Show not behaving a tooth  
I'm on an alligator I eat an alligator  
Yes you

Long in the tooth  
Long in the tooth  
I'm telling you children I'm long in the tooth  
Throwin' that football across the mall  
We've all led it with a certified smile  
I used to be so wild and free  
Sometimes I wonder what happened to me

Long in the tooth, long in the tooth  
I'm telling you children I'm long in the tooth  
Long in the tooth, long in the tooth  
I'm telling you woman I'm long in the tooth

Time did a number on me, I ain't the man I used to be  
Running at speed but I'm little at motion  
Live up to all them stories been told

Long in the tooth, long in the tooth  
I'm telling you children I'm long in the tooth  
Long in the tooth, long in the tooth  
I'm telling you woman I'm long in the tooth  
Long in the tooth, long in the tooth  
I'm telling you children I'm long in the tooth  
Long in the tooth, long in the tooth  
I'm telling you folk I'm long in the tooth  
Long in the tooth, long in the tooth  
Long in the tooth, long in the tooth  
Long in the tooth, long in the tooth  
Long in the tooth, long in the tooth
