

Inbetween

Billy Lockett

Out of sight
Out of mind
But absence makes the heart feel so cold
Chew me up
Spit me out
Lead me down a road I don't know

Oh man, I'll be the first not the last
And maybe the moment has passed
Oh man

I'll be your lover
If that's what you want
And I'll be a stranger
If that's what you need
But it's all or nothing
There's no inbetween

Funny how I thought I knew you better
But maybe I don't
Boiling hot, freezing cold
First you say you will then you won't

Oh man, I'll be the first not the last
And maybe the moment has passed
Oh man

I'll be your lover
If that's what you want
And I'll be a stranger
If that's what you need
But it's all or nothing
There's no inbetween
Ooh...

I'll be your lover
If that's what you want
And I'll be a stranger
If that's what you need
But it's all or nothing
There's no inbetween
