

Pure Imagination

Billy Lockett

Come with me and you'll be
In a world of pure imagination
What you'll find
When you look into your imagination

We'll begin with a spin
Traveling in a world of my creation
Living there
You will see what you truly wish to be

If you want to view paradise
Simply look around and view it
Anything you want to do it
Want to change the world, there's nothing to it

There is no life, I know
That compares with pure imagination
What you'll find
When you look into your imagination

If you want to view paradise
Simply look around and view it
Anything you want to do it
Want to change the world, there's nothing to it

No, I find no
That compares to pure imagination
Living there, you'll be free
If you truly wish to be
