

# Wasting Time

Billy Lockett

I know I shouldn't be here, but  
I couldn't help myself  
'Cause after all these years, I'm  
I'm kinda buried under blaming myself  
Yeah, I know it's been rocky  
For a little while, now  
But could you ever re-love me?  
Just a call would be enough right now

Yeah, I'm scrolling through the morning  
The message is still the same  
Staring but you're never calling me again

I'll be anything you want me to be  
But how can we rebuild when you ignore me?  
Yeah, I'll do anything, just love or use me  
Yeah, I've laid it on the line  
Mmm...  
But I guess I'm wasting time

I've been writing these love songs  
I never knew what they meant  
But now I struggle with the irony  
I can't listen now the words make sense

I'm scrolling through the morning  
The message is still the same  
Staring but you're never calling me again

I'll be anything you want me to be  
But how can we rebuild when you ignore me?  
Yeah, I'll do anything, just love or use me  
Yeah, I've laid it on the line  
Mmm...  
But I guess I'm wasting

All that I ask is I'm in your mind  
As a good memory  
You were happy to find  
And all that I am  
And all that I do  
Is all 'cause of you  
And I'll never stop loving you  
No, I'll never stop loving you

And I'll be anything you want me to be  
But how can we rebuild when you ignore me?  
Yeah, I'll do anything, just love or use me  
Yeah, I've laid it on the line  
Mmm...  
But I guess I'm wasting time
