

# ACTORS

Billy Marchiafava

I showed you the way  
I keep getting cake, no mistake  
I'm blowin up, Michael Bay

Ohh wow wonderful day  
She wanna kick it like MMA, I'm unfazed

I been in my head, like 4 days, got  
To get out, I gotta make some more plays

Gotta hit some tour dates  
No, you - can't ignore me

I told you, I'm important  
You old news, you in the morgue

Billy gunna hit it in the back the car  
You really an idiot, can't tell I'm on

I got the adrenaline  
I'm really in my element, and you can see the evidence

I feel like I'm venomous  
I'm flyin like a pelican, turn him into a skeleton

What you doing?  
Where you at?  
How you been?  
This and that

You sounding goofy, should've kept your ass in class  
Like a movie I'm surrounded by a cast

You stuck in the past  
I can tell you don't like what's lookin back in that glass

Those are not gold teeth, that's brass  
I'm so lost in my bag can somebody get me a map  
Okay, like this

Can't even count all my hits  
Billy the wave like on a ship  
This a demolition derby  
I'm breaking all of my shit  
Now I'm getting hungry I hope you saved me a dish OK

K.O.  
Ima pipe her down like draino  
Underground like cables  
You a fable, you a mino

Damn, you old. almanac  
Somebody should've told you that  
I had a vision - In the kitchen pots and pans  
Where's shawty let me hallaback  
Where's shawty let me hallaback

I do my dance  
I thought I told you that

What you doing?  
Where you at?  
How you been?  
This and that

You sounding goofy, should've kept your ass in class  
Like a movie I'm surrounded by a cast

Yall some actors!  
Billy break it down like a fracture  
I was down bad hit A 180 protractor  
Nothing cud bother me  
Get a check, than I'm history  
Ya

My shit like dopamine  
My shit like dopamine okay
