

## chase the sack

Billy Marchiafava

I chase the sack, I won't go back  
I chase the sack, I won't go back

I chase the sack until my fingers bleed  
I chase the sack until I'm on my knees  
I chase the sack after I fall asleep  
I see the sack in my dreams

I chase the sack  
I won't go back now  
I never lack  
I blew her back out  
I beat it up  
Manny Pacquiao  
I really chase the sack  
For my brothers in the background

I really chase the sack  
For my brothers in the basement  
That never made it out, well fuck it we getting paid bitch

I chase it all around  
I chase it till I frown  
I chase it till I drown

Let's get down to the real shit  
I hit the bank till 'em fill it  
I hit the bank till 'em fill it up  
I hit the bank like let's get it  
I chase the sack like I'm addicted

I chase the sack until my fingers bleed  
I chase the sack until I'm on my knees  
I chase the sack after I fall asleep  
I see the sack in my dreams

I chase the sack  
I won't go back now  
I never lack  
I blew her back out  
I beat it up  
Manny Pacquiao  
I really chase the sack  
For my brothers in the background

I chase the sack, I won't go back

I chase the sack, I won't go back  
I chase the sack, I won't go back  
I chase the sack, I won't go back  
I chase the sack, I won't go back  
I chase the sack, I won't go back  
I chase the sack, I won't go back
