

Hello!

Billy Marchiafava

If she come over she fuckin'
Billy the goat, end of discussion
Run up the guap I'm chasin' these hundreds
My music different, everyone loves it
I could never fall off I'm too poppin'
Hundred a month, all in my pocket
Bitch my career took off just like some rockets
I'm still baggin' ya boss for that profit

God damn!
They ask me how I do this shit
Came up real quick, I'm so smooth wit' it
Spent eighty on a watch and a necklace
I'm really poppin' you can tell by how I'm spendin it (ka-
ching!)

I-I I got bands, I got racks, I got cash
You a scrub, you a dork, I surpass
I blew up, I got rich, really fast
That must make all you hoes really mad
Bitch I'm winnin, I stay healthy get that spinach
I stay clean, like a dentist fucked that bitch out in Memphis
You still drivin in that Civic, you can date her I'll just hit
it
I was born for the digits bitch I see it then I get it
Hi! My name is Billy (Hello!)
I'm a real nice guy, don't get it twisted (don't get it twisted
)
But if you fuck with me we gon' have some issues (uh-huh)
Haters mad that I made it, here's a tissue

God damn!
They ask me how I do this shit
Came up real quick, I'm so smooth wit' it
Spent eighty on a watch and a necklace
I'm really poppin' you can tell by how I'm spendin it (ka-
ching!)
