

# Dancefloor

Billy Ocean

Dancefloor, aye aye aye  
On the dancefloor, aye aye aye  
Dancefloor, aye aye aye  
On the dancefloor, aye aye aye

I should have known she wasn't serious  
But now it's too late and I was curious  
I was a fool to let my feelings show  
'Cause now I'm in love I just can't let go

Dancefloor here I come till the sun comes up  
Gonna rock this feeling away  
I wanna ride the rhythm into the night  
Slide away from yesterday

Aye aye aye  
Aye aye aye  
Aye aye aye  
Aye aye aye

I wanna dance all night don't wanna stop  
Dance all night don't wanna stop  
La la la la la la la la la

I was caught with my guard down  
And now the word is out all over town  
A one night thing I couldn't see  
And I went head over hills when she made love to me

Dancefloor here I come till the sun comes up  
Gonna rock this feeling away  
I wanna ride the rhythm into the night  
Slide away from yesterday

Every face that I see  
Still back in my memory  
Out on the dancefloor  
That is my remedy

Dancefloor, aye aye aye  
On the dancefloor, aye aye aye  
Dancefloor, aye aye aye  
On the dancefloor, aye aye aye

My remedy  
My remedy  
Gonna dance  
Gonna dance all night  
Dancefloor here I come  
Till the sun comes up, comes up  
Dancefloor here I come  
Gonna dance, gonna ride  
Dancefloor here I come  
I should have known better
