

Maybe Tonight

Billy Ocean

If you believe in wishing on a star
The moment's here, so near and yet so far
If I knew, what to do, baby I'd be close to you
And we'd make each minute last the whole night through

Right now I feel the time is right [?]
Don't wanna do a thing that we'll regret
If it's no, tell me so, we can watch the late night show
Baby, love can blossom, love can grow

(Maybe tonight, tonight)
(Maybe tonight)
Yeah, maybe tonight
(Maybe tonight, tonight)
(Maybe tonight)
Yeah, maybe tonight

However things may turn out in the end
I'd like to say, we always will be friends
By the way, if you stay, then there's nothing more to say, oh n
o, baby
Girl I love you, anyway

(Maybe tonight, tonight)
(Maybe tonight)
Well, maybe tonight
(Maybe tonight, tonight)
(Maybe tonight)
Oh, maybe tonight

(Maybe tonight, tonight)
(Maybe tonight)
(Maybe tonight)
(Maybe tonight, tonight) We can still be friends baby
(Maybe tonight) Yeah, when it comes to making love
(Yeah, maybe tonight)
(Maybe tonight, tonight) Ooh, I love you
(Maybe tonight)
(Maybe tonight)
(Maybe tonight)
