

Showdown

Billy Ocean

Showdown (show, showdown)

Showdown (showdown)

Showdown (showdown)

You got me spinning
Falling apart, playing games with my heart
I keep on giving
Girl why'd you always let me down
You drive me crazy
Take me right through the edge

I need all my friends
I'm at the breaking point
Between you and me there's gonna be a
Showdown (showdown)
Which one of us will you choose

There's got to be a showdown (showdown)
Who's gonna win and who's gonna lose
You've been misleading
Living a lie, living two separate lives
What you gonna do when your two worlds collide
When word gets around without a doubt
The truth will come out
You better make up your mind
I'm taking them all with having for her

Showdown (showdown)
Which one of us will you choose
There's got to be a showdown (showdown)
Who's gonna win and who's gonna lose

Showdown (showdown)
Which one of us will you choose
There's got to be a showdown (showdown)
Who's gonna win and who's gonna lose

But now it's up to you girl (would you make up your mind)
To make the right decision
Anything's better than hanging on to a fine situation
Oh, I got to know (showdown)
I wanna know ohh ohh

'Cause when word gets around there is no doubt the truth will come out
Better make up your mind
I'm taking them all with having for
Showdown (showdown)
Which one of us will you choose
There's got to be a showdown (showdown)
Who's gonna win and who's gonna lose
Showdown
Tell me baby which one of us will you choose

Who's gonna win, who's gonna lose, who's gonna win, who's gonna lose
Don't leave me hanging on now baby
We gotta work it out, work it out baby, work it out, work it out baby

We gotta work it out, work it out baby, work it out, work it out baby
Showdown (showdown)
Which one of us will you choose
Woah woah woah woah
Showdown (showdown)
Showdown (showdown)
Who is gonna win and who is gonna lose
