

Make The Devil Mad

Billy Preston

My mind is dwelling on the good things in life
To Hell with the bad
God is all good and you know that I'm right
Try to make the Devil mad

It's your choice to choose which it will be
To sing in dischord or in harmony
Nothing is better than being in tune
I hope you find out very soon

Well...
Well...

My mind is dwelling on the good things in life (an')
To Hell with the bad
God is all good and you know that I'm right
Try to make the Devil mad (well)

Make him mad
Make him mad
Make him mad
Make him mad

Turn on to Jesus
Turn on
Turn on to Jesus
Turn on
He'll get ya' high
He'll keep you stoned
Turn on to Jesus
Turn on
Turn on to Jesus
Turn on
He'll get ya' high
He'll make you stoned
Turn on to Jesus
He'll make you stoned
Turn on... turn on
Make the Devil mad
Make the Devil mad
Make the Devil mad
Make him mad
Turn on

My mind is dwelling on the good things in life
To Hell with the bad
God is all good and you know that I'm right
Try to make the Devil mad

Make him mad
Make him mad

It's your choice to choose which it will be
To sing in discord or in harmony
Whoa, nothing is better, than being in tune
I hope you find out very soon

Yeah

Turn on to Jesus
Turn on
Turn on to Jesus
Turn on
He'll get ya' high
He'll keep you stoned
Bring your weed, y'all
He'll make ya' strong
And he won't leave ya'
He won't leave ya' alone
Turn on to Jesus!
Turn on
Make the Devil mad
Make him mad
Make the Devil mad
Make him mad
