Help Me Make It Through The Night

Billy Ray Cyrus

Take the ribbon from your hair Shake it loose and let it fall Layin' soft against your skin Like the shadows on the wall

Come and lay down by my side
Till the early mornin' light
All I'm takin' is your time
Help me make it through the night

I don't care what's right or wrong And I won't try to understand Let the devil take tomorrow For tonight I need a friend

Yesterday is dead and gone
And tomorrow's out of sight
And it's sad to be alone
Help me make it through the night

I don't care what's right or wrong And I won't try to understand Let the devil take tomorrow For tonight I need a friend

Yesterday is dead and gone
And tomorrow's out of sight
And it's sad to be alone
Help me make it through the night

I don't want to be alone
Help me make it through the night
