

## How've Ya Been

Billy Ray Cyrus

I look at you, you look at me  
Is it true or make believe  
Your eyes in mine, my ole friend  
How've ya been?

Yesterday when you were here  
We loved to play, we had no fear  
Time, how it flies...  
How've ya been?

If only you knew oh how much I missed you  
If only you knew oh how much I cared  
Heaven only knows why you left me  
Take my hand  
How've ya been?  
Heaven only knows why you left me  
Take my hand  
How've ya been?

How've ya been?  
How've ya been?  
How've ya been?  
How've ya been?  
How've ya been?
