

# It's All The Same To Me

Billy Ray Cyrus

Girl, you can head north, south, east or west  
Which way you go, I couldn't care less  
It doesn't matter, if this is where  
You want to be

You can take the couch, you can take the chair  
It makes no difference, I don't care  
Can't you see, it's all the same to me

You can put me on some island  
In the middle of the sea  
Or lock me in a prison  
With no chance of ever being free  
Or run a dagger through my heart  
Stand back and watch me bleed  
Oh, baby you can leave  
It's all the same to me

Day or night, rain or shine  
I'll be alone, still losing my mind  
Without you, it's all the same to me

You can put me on some island  
In the middle of the sea  
Or lock me in a prison  
With no chance of ever being free  
Or run a dagger through my heart  
Stand back and watch me bleed  
Oh, baby you can leave  
It's all the same to me

I could never love someone else  
If I can't have you  
You might as well leave

You can put me on some island  
In the middle of the sea  
Or lock me in a prison  
With no chance of ever being free  
Or run a dagger through my heart  
Stand back and watch me bleed  
Oh, baby you can leave  
It's all the same to me

Yeah baby if you leave  
It's all the same to me

It's all the same to me  
Yeah baby if you leave  
It's all the same to me
