

Killing The Blues

Billy Ray Cyrus

Leaves were falling
Down like embers
In colors red and gold
They set us on fire
Burning just like a moonbeam
In our eyes

Somebody said they saw me
Swinging the world by the tail
Bouncing over a white cloud
And killing the blues

Now I am guilty of something
I hope you never do
Because there is nothing
Sadder than losing yourself in a love

Somebody said they saw me
Swinging the world by the tail
Bouncing over a white cloud
Killing the blues

Somebody said they saw me
Swinging the world by the tail
Bouncing over a white cloud
Killing the blues

For then you ask me
Just to leave you
To go out on my own
And get what I need to
You want me to find
What I've already had

Somebody said they saw me
Swinging the world by the tail
Bouncing over a white cloud
Killing the blues

Yeah somebody said they saw me
Swinging the world by the tail
Bouncing over a white cloud
Killing the blues

Killing the blues
