

Put A Little Love In Your Heart

Billy Ray Cyrus

Think of your fellow man
Lend him a helping hand
Put a little love in your heart

You see it's getting late
Oh, please don't hesitate
Put a little love in your heart

And the world will be a better place
And the world will be a better place
For you and me
You just wait and you'll see

Another day goes by
Still the children cry
Put a little love in your heart

If you want the world to know
We won't let hatred grow
Put a little love in your heart

And the world will be a better place
All the world will be a better place
For you and me
You just wait and you'll see
Wait and see

Take a good look around
And if you're looking down
Put a little love in your heart

I hope when you decide
Kindness will be your guide
Put a little love in your heart

And the world will be a better place
And the world will be a better place
For you and me
You just wait and see

Well, put a little love in your heart
You got to
Put a little love in your heart
Put a little love in your heart
There's no other way
Put a little love in your heart
It's up to you, babe
Put a little love in your heart ...
