

Tell Me

Billy Ray Cyrus

Tell me come home
Walk through our door
Tell me the light's still on
And you're walking the floor
Tell me your secrets
Tell me no lies
Tell me you love me
Just don't tell me goodbye

Time slips away
Time won't slow down
I took you for granted
I pay for it now
God only knows
How we ended like this
Tell me my darling
That it's me that you miss

Tell me come home
Walk through our door
Tell me the light's still on
And you're walking the floor
Tell me your secrets
Tell me no lies
Tell me you love me
Just don't tell me goodbye

Tell me your secrets
Tell me no lies
Tell me you love me
Just don't tell me goodbye
Tell me you love me
Just don't tell me goodbye

Tell me
Tell me
Tell me
Tell me
Tell me
Tell me
Tell me
