

# Thin Line

Billy Ray Cyrus

It's a thin line  
Between right and wrong  
Good and bad  
Dusk and dawn  
It's a thin line  
Between hate and love  
Gates of hell  
Heaven above  
It's a thin line

It's a thin line  
Between joy and being sad  
Walking lost on the road ahead  
Water lasting just as fast  
It's a thin line  
Between rich and poor  
Having too much  
Needing just a little more  
It's a thin line

It's a thin line  
Between willy and the law  
She'd be awful  
Between your heart and mine  
Baby it's a thin line  
Between Elvis and Jesus  
What we love and what he says  
Your brain brings to you immediately  
Yeah it's a thin line  
It's a thin line

It's a thin line  
Between right and wrong  
Good and bad  
Dusk and dawn  
It's a thin line  
Between hate and love  
Gates of hell  
Heaven above  
It's a thin line

It's a thin line  
Between willy and the law  
She'd be awful  
Between your heart and mine  
Baby it's a thin line  
Between Elvis and Jesus  
What we love and what he says  
Your brain brings to you immediately  
Yeah it's a thin line  
It's a thin line
