Billy Talent

Now I'm feeling older I can see through the shit  
Put together the puzzle trying to make my life fit  
But sometimes it feels hard and the [?]  
So when you're picking up all the pieces trying to fuck  
Some things will never change when [?]  
So before you leave this place [?]  
So many people look back [?] swamp  
Hearts are cold, you'd think the brain [?]  
Draininifyin', creeping and a-crawling  
Then realizing that their lives are fallin'  
But wait, what, um  
Gotta finish got the jelly of the sinnin', not the evil of the cringe  
Give respect to my friends and I will learn from my peers  
So conquer your fears  
So conquer your fears  
So conquer your fears

So, so, so conquer your fears  
So, so, so conquer your fears  
So, so, so conquer your fears  
So, so, so conquer your fears  
So, so, so conquer your fears  
So, so, so conquer your fears  
So, so, so conquer your fears  
So, so, so conquer your fears

I can't even see no more with my eyes goin' tired and my brain goin' sore  
I can't even see no more with my eyes goin' tired and my brain goin' sore  
I can't even see no more with my eyes goin' tired and my brain goin' sore  
Seein' all the shit that surrounds me every day  
I'd like to hear what he would say  
I'm pushin' that button-boom! Self-destruction

'Cause we will feel no [?]  
In a couple of days we'll get a meat-up-a-cash

So, so, so conquer your fears  
So, so, so conquer your fears

Begin!

So, so, so conquer your fears  
So, so, so conquer your fears  
So, so, so conquer your fears  
So, so, so conquer your  
So, so, so conquer your fears  
So, so, so conquer your fears  
So, so, so conquer your fears  
So, so, so conquer your fears

Bring it up

So conquer your fears

So conquer your fears
