I'm So Lonesome I Could Cry

Billy Walker

Hear that lonesome whippoorwill He sounds too blue to fly The midnight train is whining low I'm so lonesome I could cry

I've never seen a night so long
When time goes crawling by
The moon just went behind a cloud
To hide its face and cry

Did you ever see a robin weep When leaves began to die? That means he's lost the will to live I'm so lonesome I could cry

The silence of a falling star Lights up a purple sky And as I wonder where you are I'm so lonesome I could cry I'm so lonesome I could cry
