

Police and thieves in the street, perched in trees to beat the heat

But for that gold & green who wouldn't Lamebeau Leap  
Admittedly Sambo but a Man's gots to eat  
And it's Jolly Roger on high seas when the album leak  
Jamaican piracy, jacking for beats  
O'Shea Jackson rapidsharing your masterpiece

Yeah, I heard it. It was OK but I liked the mixtape better  
Yeah, their older stuff was awesome. I already deleted this one  
Yeah, I put a couple of songs on my iPod though

Fuck thirty days, if you lucky, flavor of the week  
The OG reek from the podium during my concession speech  
What considerate rapists, keeping jellied petroleum within easy reach  
High Pressure Sodium. Organic Hydro, life's a Beach  
Digital Robinson Crusoe, the seeders seed, the leeches leech  
And don't nobody aboard know the time, cause they flooded the timepiece  
Sound asleep under high thread count sheets  
It's a whole 'nother world in these first class seats  
Ringtones on phones and video game licensing fees  
I don't know much but got some educated feet  
Gladly buck dance and show teeth for that kinda paper, you crazy?  
Goddamn right I'll sign the release!

Big budget videos to career stalled  
Now you mad at the Canadian with the fake southern drawl  
I laugh at y'all, having fun in prison like Cuban baseball  
Old rappers trying to learn how to skateboard  
Obama rob Peter just to pay Paul, I can dig that  
Symmetrical, like stickup kids getting jacked  
Or she spread wide with the fresh Brazilian wax, spit polish  
Little Lebowski Urban Achiever plaque  
We only here cause some crackers ain't want to pay taxes  
On they Earl Grey but see nothing wrong with owning slaves  
So fuck a sample, I don't gots to pay  
When I take your shit, that's the American Way. Downpour torrential  
Torrents have your whole album and the instrumentals  
It's like writing a fucking novel in pencil  
Still saute the track, plate with market greens and lentils  
Black garlic, green onions, snow pea tendrils  
Puget Sound, blowing Sonic out the Gill like Kendall  
90% of the game is half mental, but after seeing how you suck a dick...

I'd say you got a lot of potential
