

# Golgotha

Billy Woods

Out of chars and ashes like golden salamanders  
The old years  
The green years will leap  
Roses sweeten the air  
White hair turns black  
Wrinkles vanish  
All, everything flies back to sea  
Flee death

Verse 1: billy woods

Ghouls glued to the screen til they stop moving  
That's the thing about a chess piece, gotta peep how he movin'  
Gotta play stupid  
The King sleep in the doom ship  
Hubris outside Ruth Chris  
Every bird get his wings clip  
Munitions flyin' in an empty sky  
Saw a Lion at the Bronx zoo when I was nine  
It stuck in my mind  
Sometimes feelin' like the tiger on Shrines cover  
The fusillade cut them down in a line brother  
The fuselage shuddering as the plane climbs  
You know I prayed to every one of them motherfuckers  
Old man putterin', mutterin' to myself  
Money come slow like publishing  
House full of ghosts half wonder if I'm one of them  
When they come ask you, go 'head, tell 'em what you know  
Truth be told, never even knew my government  
Many years ago, my mother and I made a covenant  
I look in they eyes when they get what they coveted  
Fire in the sky, satellites plummeting  
G showed me the whistle and said he not gettin' cut again  
He got 213 months but he never got cut again  
Everything buffering  
Reality lagging ?  
Sometimes barely recognize the people I love  
It run hot and fast like arterial blood  
Splashy kicks  
The night slip-slippery  
Wrist, wrist, wrist  
Can't lie, some of these rappers do be glittering  
Embittered but still air kiss  
Kiss death, black lipstick on my neck  
In bed she's a dead fish, but it's more to life than sex

Bridge

აღი ახალგაზრდა ქალია, აქვს გრძელი შავი თმა, რომელიც კოჭებამდე სცემს

Verse 2: billy woods

Meaningful things  
I hear what they say in the light of day, but let's see what the night bring  
s  
The flap of ragged wings  
Black Thanos finger snaps five gems on a four finger ring  
It's no going back no more  
We drew lots in a dark corridor to kill the king  
Our sweat stink

Yeah doggie we need them things hand speed like bing, bing, bing  
I used to love her now I see it was just a fling  
Took two glasses out the cupboard and poured us a parting drink  
(She waited for me to take that first sip, though)

#### Outro

ტანზე არაფერი აცვია, წყალში ზის, ზოგჯერ ქვაზე შემოჯდება და თმას ივარცხნის. თუ ვინმე მიეპარა და თმა მოაჭრა მაკრატლით მაშინ როგორც ჩვეულებრივი ქალი ისეთი ხდება, შეიძლება ცოლადაც გაჰყვეს თმის მომჭრელს, ბოლოს მაინც იძიებს შურს, თავის თმას იპოვის, მოკლავს ოჯახის წევრებს და გაიქცევა...
