I feel it leave my veins, I feel it's all the same  
I don't know who I am, don't know the point of all this  
I don't have an answer for the pain in my chest

I need to keep on breathing  
I need to keep on breathing

I feel my heartbeat fall, just get away from it all  
I feel the world break the arch in my back  
Exploit the pull to see you 'til there's nothing left

I need to keep on breathing  
I need to keep on breathing  
When my feet hit solid ground  
Find my soul, so I can feel it  
'Cause I need to keep on breathing

I can't hold my breath anymore  
I feel my body collapse on the floor  
Don't fucking feel like a human being  
I wanna feel alive again

I need to keep on breathing  
I need to keep on breathing  
When my feet hit solid ground  
Find my soul, so I can feel it  
'Cause I need to keep on breathing

I need to keep on breathing  
I need to keep on breathing  
When my feet hit solid ground  
Find my soul, so I can feel it  
'Cause I need to keep on breathing
